THEME OF THE RIDE:

Hope and Resilience

Cycling with Sisters is a series of bike rides in North America in which Catholic sisters, collaborators, and others share a pilgrimage of cycling, friendship, and prayer.

During the 60-mile ride from Chesterton to South Bend, the cyclists will stop at several points to pray for the needs of the world.

You are invited to participate in prayer online via livestreaming on the [Cycling with Sisters Facebook page](#).

The times for the prayer stops are listed to the right, and you can download a copy of the prayer booklet in advance [here](#).
